

## Questions about U.S. Study?

**Chat Live Online with AMIDEAST's Expert Educational Advisers!**

Our next chat will feature special guests from Lehigh University including representatives from each of their graduate schools and from their international student office. Join us with your admissions, field of study, and U.S. life questions on—

Wednesday, January 18, 2006, 4 p.m. Local Time

### **Lehigh University**

Lehigh University ([www.lehigh.edu](http://www.lehigh.edu)), operating for almost 140 years, is a selective, highly ranked private research university. Lehigh's four colleges – College of Arts and Sciences, College of Business and Economics, College of Education and the P.C. Rossin College of Engineering and Applied Science – provide opportunities to 6,500 students to discover and grow in a learning community that combines interdisciplinary programs with real-world experience. Lehigh's campus is located in Bethlehem, PA (about an hour from Philadelphia and an hour and a half from New York City).
