DESCRIPTION/SPECIFICATION/WORK STATEMENT

C.2.0 GROUP LIFE INSURANCE

The Government of the United States of America requires group life insurance coverage for its employees, as further described in C.2.3, in Kuwait. The Government has determined that the prevailing practice by employers in Kuwait is that group life insurance coverage is representative of locally prevailing compensation practice and that the cost of such insurance protection is usually borne by the employer on a 100% premium cost. Therefore, the Government desires to adopt such locally prevailing practice as part of its compensation plan for its employees as further described in C.2.3. The specific group insurance coverage under this contract is set forth in this part of Section C and the Attachments in Section J.

C.2.1. Group Life Insurance Coverage.

The amount of group life insurance coverage is as follows:

C.2.1.1 Amount of Employee Life Insurance.

The amount of life insurance coverage for each employee is based upon his/her basic salary excluding allowances, bonuses or other monetary benefits.

Each employee is eligible for a face amount of coverage that is equal to 16 times his or her monthly basic salary not to exceed KD 74,000.

C.2.1.2 Amount of Accidental Death and Dismemberment Coverage.

The employee's estate or employee will receive an amount equal to sixteen (16) times the amount of monthly basic salary not to exceed KD 74,000, in addition to the life insurance benefit in C.2.1.1, in the event the employee is killed in an accident.

C.2.1.3 Partial and Total Disability Coverage

C.2.1.3.A Permanent Total Disability

If an employee becomes totally and permanently disabled from bodily injury or disease so as to be wholly prevented from performing any occupation for remuneration or profit, the insurance company will terminate the life insurance of such employee and in lieu of all other benefits in this policy, will pay the amount of life insurance that would have been applicable to said employee in sixty (60) equal payments commencing within three months from receipt of due proof of disability.

The amount of insurance applicable to this provision shall be the amount of insurance in force on the life of such employee on the date of commencement of total and permanent disability. During the continuance of total and permanent disability, all installment payments under this provision shall be payable to the employee.

If the employee should die after due proof of the disability has been furnished to the insurance company, but before payment of any installments, the amount of insurance under this provision shall be paid to the employee's beneficiary. If the employee should die while some installments remain unpaid, the remaining installments shall be paid in one sum to the beneficiary.

If the total and permanent disability should cease before all installments under this provision have been paid, the following conditions shall apply:

- No further installment payments shall be made;
- If the employee is eligible under this provision, he may be insured hereunder for the amount of group life insurance for which he is then eligible, less the total amount of payments made under this provision.

The insurance company shall have the right at any time during the first two (2) years following the commencement of installment payments and thereafter not more frequently than once a year, to require proof of continuance of total and permanent disability. In addition, the insurance company shall have the right to have a physician of its choice examine the employee at six-month intervals during the first two (2) years of the installment paying period and thereafter not more frequently than once a year. Failure to furnish such proof or to submit to the medical examination within ninety (90) days of the date of request shall immediately terminate all benefits.

No payments shall be made under provision if, at the date when payment would otherwise have been made, the amount of life insurance shall have been paid as a death claim.

C.2.1.3.B Permanent Partial Disability

If an employee becomes partially disabled, on a permanent basis, as a result of bodily injury or disease, the insurance company shall make a lump sum payment to the insured for that disability in accordance with the schedule of payments below:

Description	Percentage of Life Benefit
Loss of arm between shoulder and wrist	50
Loss of hand below wrist	50
Loss of four fingers and thumb	40
Loss of four fingers	35
Loss of whole thumb	25
Loss of whole index finger	10
Loss of whole middle finger	06
Loss of whole ring finger	05
Loss of whole little finger	04
Loss of leg at hip	50
Loss of leg between knee and hip	50
Loss of leg below knee	35
Loss of all toes	15
Loss of one eye	50
Deafness of both ears	50
Deafness of one ear	15
Loss great toe	05
Loss of other than great, if more than one toe lost, each	01

Payment shall not exceed a maximum of the life insurance amount.

In the event of subsequent death or total permanent disability of an insured employee, after payment has been made under this provision, the insurance company shall reimburse the amount of life insurance benefit that would have been payable prior to the partial disablement less the amount reimbursed for that partial disablement or any payment made under total permanent disability.

Partial disability on a permanent basis shall be deemed to be the complete and irrecoverable physical loss or loss of use of any part of the body specified in the schedule of payments above. In the event of

- A partial loss of any part of the body specified above, a proportionately lower percentage of compensation shall be payable and,
- Permanent disablement by physical loss or loss of use not specified above, the percentage of compensation shall be assessed in proportion to the degree of disability as compared with the cases specified in the schedule of payments without reference to the profession or occupation of the insured.

C.2.2 Life Insurance Benefits Conditions and Limitations.

Conditions and limitations on the entitlement to life insurance benefits under this contract are as follows:

The insurance provided by the contractor will not cover any loss resulting from or caused directly or indirectly, wholly or partly by:

- Self-destruction or self-inflicted injury, while sane or insane; or

This plan is designed to provide an effective surveillance method to promote effective contractor performance. The QASP provides a method for the Contracting Officer's Representative (COR) to monitor contractor performance, advise the contractor of unsatisfactory performance, and notify the Contracting Officer of continued unsatisfactory performance. (b) The COR for this contract is the Human Resources Officer.

G.2 COR DUTIES

G.2.1 The COR is responsible for inspection and acceptance of services. These duties include review of Contractor invoices, including the supporting documentation required by the contract. The COR may provide technical advice, substantive guidance, inspections, invoice approval, and other purposes as deemed necessary under the contract.

G.2.2 In addition, the COR shall maintain updated list of employees and dependents insured, which will supersede the initial list provided under this contract and as reported to the insurer without prejudice to the ineligibility clause.

G.2.3. The COR has the additional responsibility of maintaining the eligible listing of employees and dependents for insurance coverage.

G.2.4 The COR may not change the terms and conditions of the contract. While the COR is authorized to provide the Contractor with updated listings of eligible employees and dependents, only the Contracting Officer may modify existing task orders or issue new task orders, reflecting these changes, since only the Contracting Officer can obligate funding and commit the Government.

G.3. Payment shall be made in Kuwaiti Dinars.

G.4 SUBMISSION OF INVOICES AND PAYMENT

G.4.1. Invoices shall be submitted in an original and three (3) copies to the following address (designated billing office only for the purpose of submitting invoices):

American Embassy Kuwait

G.4.2. Frequency of Payments. All funds under this contract will be obligated by issuance of task orders, as described in H.3. Each task order will fund a specific period of time and number of employees, and the task orders will be issued at the frequency described in H.3. Contractor may submit invoices quarterly for payment to be made at the beginning of the quarter for which insurance coverage is provided in accordance with FAR 32.404.

G.4.3. U.S. Government Employees. The Government shall make payments directly to the contractor for all Government employees, whether or not the employee is contributing to the premium amount.

G.4.4. ORE Staff. The Chief of Mission and/or Deputy Chief of Mission will make payment directly to the contractor for the entire premium amount of the ORE staff, whether or not the ORE employee is contributing to the premium amount.

G.4.5. AEWA Staff. The American Employees Welfare Association will make payment directly to the contractor for the entire premium amount of the EA employee, whether or not the EA employee is contributing to the premium amount.

G.5 REFUNDS TO THE GOVERNMENT

If at any time during performance of the contract the Government finds that the contractor has been overpaid because the number of employees covered has decreased, the Contracting Officer may either allow that overpayment to be credited to the Government's account or require that the contractor refund the overpayment. If the Contracting Officer requests a refund, the contractor shall make that refund to the Government within ten calendar days of receipt of the request.

SECTION H SPECIAL CONTRACT REQUIREMENTS

H.1 SECURITY. On occasion, a Contractor employee may require entry into U.S. Government-owned or -operated facilities. If so, the Contractor should be prepared to provide the necessary identification to permit escorted access within that facility.

H.2 STANDARDS OF CONDUCT. The Contractor shall maintain satisfactory standards of employee competency, conduct, cleanliness, appearance, and integrity and shall be responsible for taking such disciplinary action with respect to employees as may be necessary. Each Contractor employee is to adhere to standards that reflect credit on themselves, their employer, and the United States Government.

H.3 ORDERING PROCEDURES. The Government will issue a task order as soon as possible after contract award to identify all employees to be covered by the insurance described in this contract and the coverage selected by each employee, including dependents to be covered. The COR will make subsequent additions or deletions to this list in writing and provide the revised list to the Contractor. All such revisions shall be consolidated, and a new or modified task order will be issued by the Contracting Officer. If any changes have been made to the coverage listing, the Government anticipates issuance of a new task order on a [] monthly, [X] quarterly. This new task order will include all changes made since the previous task order was issued and will include any increase or decrease in necessary funding. The changes to the list of eligible individuals will supersede the initial list provided under prior task orders without prejudice to the ineligibility clause. Task orders will indicate the effective date of employment, for purposes of calculating the premium due.

H.3.1. The ORE staff and AEWA employees under separate riders are not included under the task orders issued by the Contracting Officer. Because their coverage is under a rider, their employer is responsible for directly interacting with the contractor to order any coverage for their employees. When contacted by the employer, the contractor shall advise the employer of the paperwork and payment that will be necessary to order coverage for the identified individuals. Because more than one employer may have ORE staff, the contractor may be contacted by more than one employer (typically the Chief of Mission and Deputy Chief of Mission).

H.4. CONTRACTOR RESPONSIBILITY IN CLAIMS AND REIMBURSEMENT TO CLAIMANTS

General. The Contractor shall be responsible for all planning, estimating, programming, project management, scheduling, dispatching, supervision, and inspection of work. The Contractor shall maintain his own reference library of technical reference works and local laws and regulations, including current tariffs and registries. I.2. FAR CLAUSES INCORPORATED IN FULL TEXT

52.216-18 ORDERING (OCT 1995)

(a) Any supplies and services to be furnished under this contract shall be ordered by issuance of delivery orders or task orders by the individuals or activities designated in the Schedule. Such orders may be issued from the first day of the ongoing performance period through the last day of that performance period. See F.2.

(b) All delivery orders or task orders are subject to the terms and conditions of this contract. In the event of conflict between a delivery order or task order and this contract, the contract shall control.

(c) If mailed, a delivery order or task order is considered "issued" when the Government deposits the order in the mail. Orders may be issued orally, by facsimile, or by electronic commerce methods only if authorized in the Schedule.

52.216-19 ORDER LIMITATIONS. (OCT 1995)

(a) Minimum order. When the Government requires supplies or services covered by this contract in an amount of less than 4,000 KD the Government is not obligated to purchase, nor is the Contractor obligated to furnish, those supplies or services under the contract.

(b) Maximum order. The Contractor is not obligated to honor--

(1) Any order for a single item in excess of 225,000 KD;

(2) Any order for a combination of items in excess of 225,000 KD; or

(3) A series of orders from the same ordering office within 90 days that together call for quantities exceeding the limitation in subparagraph (1) or (2) above.

(c) If this is a requirements contract (such as, includes the Requirement clause at subsection 52.216-21 of the Federal Acquisition Regulation (FAR)), the Government is not required to order a part of any one requirement from the Contractor if that requirement exceeds the maximum-order limitations in paragraph (b) above.

(d) Notwithstanding paragraphs (b) and (c) above, the Contractor shall honor any order exceeding the maximum order limitations in paragraph (b), unless that order (or orders) is returned to the ordering office within 30 days after issuance, with written notice stating the Contractor's intent not to ship the item (or items) called for and the reasons. Upon receiving this notice, the Government may acquire the supplies or services from another source.

52.216-21 REQUIREMENTS (OCT 1995)

(a) This is a requirements contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies or services specified in the Schedule are estimates only and are not purchased by this contract. Except as this contract may otherwise provide, if the Government's requirements do not result in orders in the quantities

described as "estimated" or "maximum" in the Schedule, that fact shall not constitute the basis for an equitable price adjustment.

(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. Subject to any limitations in the Order Limitations clause or elsewhere in this contract, the Contractor shall furnish to the Government all supplies or services specified in the Schedule and called for by orders issued in accordance with the Ordering clause. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.

(c) Except as this contract otherwise provides, the Government shall order from the Contractor all the supplies or services specified in the Schedule that are required to be purchased by the Government activity or activities specified in the Schedule.

(d) The Government is not required to purchase from the Contractor requirements in excess of any limit on total orders under this contract.

(e) If the Government urgently requires delivery of any quantity of an item before the earliest date that delivery may be specified under this contract, and if the Contractor will not accept an order providing for the accelerated delivery, the Government may acquire the urgently required goods or services from another source.

(f) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; *provided*, that the Contractor shall not be required to make any deliveries under this contract after 30 calendar days.

52.217-8 OPTION TO EXTEND SERVICES (NOV 1999)

The Government may require continued performance of any services within the limits and at the rates specified in the contract. The option provision may be exercised more than once, but the total extension of performance hereunder shall not exceed 6 months. The Contracting Officer may exercise the option by written notice to the Contractor within the performance period of the contract.

52.217-9 OPTION TO EXTEND THE TERM OF THE CONTRACT (MAR 2000)

(a) The Government may extend the term of this contract by written notice to the Contractor within the performance period of the contract or within 30 days after funds for the option year become available, whichever is later.

(b) If the Government exercises this option, the extended contract shall be considered to include this option clause.

(c) The total duration of this contract, including the exercise of any options under this clause, shall not exceed five (5) years.

52.222-39 NOTIFICATION OF EMPLOYEE RIGHTS CONCERNING PAYMENT OF UNION DUES OR FEES (DEC 2004) (only if over \$100,000)

(a) *Definition.* As used in this clause—

United States means the 50 States, the District of Columbia, Puerto Rico, the Northern Mariana Islands, American Samoa, Guam, the U.S. Virgin Islands, and Wake Island.

(b) Except as provided in paragraph (e) of this clause, during the term of this contract, the Contractor shall post a notice, in the form of a poster, informing employees of their rights concerning union membership and payment of union dues and fees, in conspicuous places in and about all its plants and offices, including all places where notices to employees are customarily posted. The notice shall include the following information (except that the information pertaining to National Labor Relations Board shall not be included in notices posted in the plants or offices of carriers subject to the Railway Labor Act, as amended (45 U.S.C. 151– 188)).

Notice to Employees

Under Federal law, employees cannot be required to join a union or maintain membership in a union in order to retain their jobs. Under certain conditions, the law permits a union and an employer to enter into a union-security agreement requiring employees to pay uniform periodic dues and initiation fees. However, employees who are not union members can object to the use of their payments for certain purposes and can only be required to pay their share of union costs relating to collective bargaining, contract administration, and grievance adjustment.

If you do not want to pay that portion of dues or fees used to support activities not related to collective bargaining, contract administration, or grievance adjustment, you are entitled to an appropriate reduction in your payment. If you believe that you have been required to pay dues or fees used in part to support activities not related to collective bargaining, contract administration, or grievance adjustment, you may be entitled to a refund and to an appropriate reduction in future payments.

For further information concerning your rights, you may wish to contact the National Labor Relations Board (NLRB) either at one of its Regional offices or at the following address or toll free number:

- (c) The Contractor shall comply with all provisions of Executive Order 13201 of February 17, 2001, and related implementing regulations at 29 CFR part 470, and orders of the Secretary of Labor.
- (d) In the event that the Contractor does not comply with any of the requirements set forth in paragraphs (b), (c), or (g), the Secretary may direct that this contract be cancelled, terminated, or suspended in whole or in part, and declare the Contractor ineligible for further Government contracts in accordance with procedures at 29 CFR part 470, Subpart B— Compliance Evaluations, Complaint Investigations and Enforcement Procedures. Such other sanctions or remedies may be imposed as are provided by 29 CFR part 470, which implements Executive Order 13201, or as are otherwise provided by law.
- (e) The requirement to post the employee notice in paragraph (b) does not apply to—
 - (1) Contractors and subcontractors that employ fewer than 15 persons;
 - (2) Contractor establishments or construction work sites where no union has been formally recognized by the Contractor or certified as the exclusive bargaining representative of the Contractor’s employees;
 - (3) Contractor establishments or construction work sites located in a jurisdiction named in the definition of the United States in which the law of that jurisdiction forbids enforcement of union-security agreements;
 - (4) Contractor facilities where upon the written request of the Contractor, the Department of Labor Deputy Assistant Secretary for Labor-Management Programs has waived the posting requirements with respect to any of the Contractor’s facilities if the Deputy Assistant Secretary finds that the Contractor has demonstrated that—
 - (i) The facility is in all respects separate and distinct from activities of the Contractor related to the performance of a contract; and
 - (ii) Such a waiver will not interfere with or impede the effectuation of the Executive order; or
 - (5) Work outside the United States that does not involve the recruitment or employment of workers within the United States.
- (f) The Department of Labor publishes the official employee notice in two variations; one for contractors covered by the Railway Labor Act and a second for all other

contractors. The Contractor shall—

- (1) Obtain the required employee notice poster from the Division of Interpretations and Standards, Office of Labor-Management Standards, U.S. Department of Labor, 200 Constitution Avenue, NW, Room N-5605, Washington, DC 20210, or from any field office of the Department's Office of Labor-Management Standards or Office of Federal Contract Compliance Programs;
 - (2) Download a copy of the poster from the Office of Labor-Management Standards website at <http://www.olms.dol.gov>; or
 - (3) Reproduce and use exact duplicate copies of the Department of Labor's official poster.
- (g) The Contractor shall include the substance of this clause in every subcontract or purchase order that exceeds the simplified acquisition threshold, entered into in connection with this contract, unless exempted by the Department of Labor Deputy Assistant Secretary for Labor-Management Programs on account of special circumstances in the national interest under authority of 29 CFR 470.3(c). For indefinite quantity subcontracts, the Contractor shall include the substance of this clause if the value of orders in any calendar year of the subcontract is expected to exceed the simplified acquisition threshold. Pursuant to 29 CFR part 470, Subpart B— Compliance Evaluations, Complaint Investigations and Enforcement Procedures, the Secretary of Labor may direct the Contractor to take such action in the enforcement of these regulations, including the imposition of sanctions for noncompliance with respect to any such subcontract or purchase order. If the Contractor becomes involved in litigation with a subcontractor or vendor, or is threatened with such involvement, as a result of such direction, the Contractor may request the United States, through the Secretary of Labor, to enter into such litigation to protect the interests of the United States.

52.232-19 AVAILABILITY OF FUNDS FOR THE NEXT FISCAL YEAR (APR 1984)

Funds are not presently available for performance under this contract beyond 30 September of each Government Fiscal Year. The Government's obligation for performance of this contract beyond that date is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Government for any payment may arise for performance under this contract beyond 30 September of each Government Fiscal Year, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.

52.237-3 CONTINUITY OF SERVICES (JAN 1991)

(a) The Contractor recognizes that the services under this contract are vital to the government and must be continued without interruption and that, upon contract expiration, a successor, either the government or another contractor, may continue them. The Contractor agrees to (1) furnish phase-in training and (2) exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor.

(b) The Contractor shall, upon the contracting officer's written notice, (1) furnish phase-in, phase-out services for up to 90 days after this contract expires and (2) negotiate in good faith a plan with a successor to determine the nature and extent of phase-in, phase-out services required. The plan shall specify a training program and a date for transferring responsibilities for each division of work described in the plan, and shall be subject to the contracting officer's approval. The Contractor shall provide sufficient experienced personnel during the phase-in, phase-out period to ensure that the services called for by this contract are maintained at the required level of proficiency.

(c) The Contractor shall allow as many personnel as practicable to remain on the job to help the successor maintain the continuity and consistency of the services required by this contract. The Contractor also shall disclose necessary personnel records and allow the successor to conduct on site interviews with these employees. If selected employees are agreeable to the change, the contractor shall release them at a mutually agreeable date and negotiate transfer of their earned fringe benefits to the successor.

(d) The Contractor shall be reimbursed for all reasonable phase-in, phase-out costs (i.e., costs incurred within the agreed period after contract expiration that result from phase-in, phase-out operations) and a fee (profit) not to exceed a pro rata portion of the fee (profit) under this contract.

(1) Refusing, or requiring any U.S. person to refuse to do business with or in Israel, with any Israeli business concern, or with any national or resident of Israel, or with any other person, pursuant to an agreement of, or a request from or on behalf of a boycotting country;

(3) Complying or agreeing to comply in the normal course of business with the unilateral and specific selection by a boycotting country, or national or resident thereof, of carriers, insurance, suppliers of services to be performed within the boycotting country or specific goods which, in the normal course of business, are identifiable by source when imported into the boycotting country;

(6) Compliance by a U.S. person resident in a foreign country or agreement by such person to comply with the laws of that country with respect to his or her activities exclusively therein, and such regulations may contain exceptions for such resident complying with the laws or regulations of that foreign country governing imports into such country of trademarked, trade named, or similarly specifically identifiable products, or components of products for his or her own use, including the performance of contractual services within that country, as may be defined by such regulations.

(i) meeting each of the individual mandatory requirements/minimums for life insurance coverage specified in Section C through H and the Exhibit(s). The Government may reject, as technically, unacceptable proposals that:

(a) fail to provide the minimum benefits required by the solicitation; or

(b) offer additional benefits not required by the solicitation (even though there is no increase in the price).

(ii) the demonstration that the offeror is licensed/certified/accredited or otherwise authorized by the government of Kuwait or its agent (e.g., insurance commission, board) to provide life insurance coverage to persons (to include organizations, companies, groups) within the host country. If the offeror is not licensed/certified/accredited or otherwise authorized by the government of Kuwait, it must demonstrate that it is licensed/certified/accredited by a government other than that of the host country to provide life insurance for persons in Kuwait and must demonstrate its capacity to provide life benefits in Kuwait to meet the minimum requirements and other conditions set forth in this solicitation; and,

(iii) meet all other terms and conditions set forth in this solicitation.

M.6. 52.217-5 EVALUATION OF OPTIONS (JUL 1990)

The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. Evaluation of options will not obligate the Government to exercise the option(s).

M.7. QUANTITIES FOR EVALUATION

For the purpose of evaluation, and for no other purpose, evaluation of prices submitted will be made on the basis that the Government will order the estimated quantities shown in Section B – SERVICES AND PRICES, of this solicitation.

M.8. SEPARATE CHARGES

Separate charges, in any form, are not solicited. For example, proposals containing any charges for failure of the Government to exercise any options will be rejected. The Government shall not be obligated to pay any charges other than the contract price, including any exercised options.

M.9 AWARD WITHOUT DISCUSSIONS

In accordance with FAR provision 52.215-1 (included in Section L of this RFP), offerors are reminded that the Government may award this contract based on initial proposals and without holding discussions, pursuant to FAR 15.610(a).
